

油画棒课程介绍（6+）

教师：翟宇卷

油画棒看似像蜡笔，其实并非蜡笔。是专业性较强的一种彩色绘画工具。同蜡笔相比油画棒颜色更鲜艳，在纸上的附着力，覆盖力更强，小朋友们非常喜欢它。方便使用与携带，具有特殊的厚度感和纹理，颜色可以混合，调色方法和绘画技巧接近油画，所以油画棒的表现力非常强。它的使用阶层跨度也很大，有专们使用油画棒创作的艺术家。因此它是专业绘画科目。油画棒也有水性的，当孩子掌握了干性油画棒后转到性油画棒学习，对于以后接触色彩画、水粉画或是中国画都是个非常好的过度。课程安排从铅笔造型基础、油画棒基础技法、色彩基础知识开始，循序渐进到临摹和写生。

学生作品一名画临摹（7—11 岁）

Oil Pastel

By: Yujuan Zhai

Pastel drawings may look like a crayon's, but it isn't. Pastel is a professional's color painting tool. The color is more vivid, the attachment and coverage to paper are stronger. Children tend to enjoy pastel drawing. Pastel works show special thickness and texture on paper, and is convenient to use and carry. Pastel colors can be mixed, its toning methods and drawing skills are close to that of oil paintings. So pastels perform very well. It has a wide range of usage, there are professional pastel artists. Therefore pastel is a branch of professional painting.

There are also water based pastels. When children master dry pastel skills, they will move on to learn water based pastel. This is very beneficial and good transition to other art skills they may learn later like water color, gouache, and Chinese painting.

Curriculum starts from pencil modeling foundation, pastel basic techniques, coloring knowledge, and gradually to copying artworks and live painting.
