

Violin

By: Elizabeth He/ Alex Li

This class will cover the basics of violin performance and music theory, including fingering, bowing, slurs, staccato, playing loud and soft, and how to read the treble clef. Students will be able to choose musical pieces ranging from classical songs to modern day tunes. Evaluation will be focused on participation and performance check-ups.

Requirements: Love to learn and try; Bring your own violin; 100 minutes/week practice after class.
