

SCCS Online registration **FOUR STEPS**

Step 1: Create a Family Account

Click the Register Online button (the mouse button) on the Registration page www.ctsccs.org/registration.aspx; Click the Create a Family Account link, fill the form and submit to create a family account; then you'll be directed to the Family Summary page.

Step 2: Add Student

Using the ADD STUDENT link in the top navigation bar to add one or more students.

Step 3: Register Class

Click the REGISTER link in the top navigation bar, you need to check two check boxes and select two radio buttons to continue.

On the Register Class page, select a student from the Student drop-down menu and then select classes from the three sessions, click submit. The registered classes will show in the summary table.

Step4: Update Registration

On the REGISTER page, select a student from the Student dropdown menu, WAIT until the previous registered class populated in the class' dropdown menus. Then select the classes you want, deselect the unwanted class, and submit.
